

Health Care Delivery & Cost Advisory Committee (Benchmark)

ChooseHealth
DELAWARE

Executive Order #19

- Established a Health Care Delivery and Cost Advisory Group comprising of 13 health care representatives appointed by the governor. The group will:
 - Determine a target for health care spending growth and provide feedback on methodologies to measure and report the total cost of health care in Delaware.
 - Determine the metrics to measure quality and what changes are necessary in the Delaware Health Care Commission to assess the market payer and provider performances relative to cost.
